

Micro-Nice®

Bio Air Conditioner Cleaner

Micro-Nice® Bio Air Conditioner Cleaner is a newly developed biodegradable phytochemical used for cleaning and deodorizing air conditioner parts. The main ingredient, **Micro-Nice®**, is a botanical extract which is safe for the user and the environment, and highly effective in removing unwanted debris from many surfaces. **Micro-Nice® Bio Air Conditioner Cleaner** also has a natural deodorizing effect.

APPLICATIONS & BENEFITS:

- Cleans dirt & grime adhered to air conditioner fins of both hot & Cooling coil
- Removes dirt & odors from the filter
- Removes unpleasant odor and dirt on Air conditioner mask
- Non-corrosive to metal, paintwork, and parts.
- Safe to use, non-toxic, and environmentally friendly.
- More than 90% Biodegradable.

DIRECTIONS FOR USE:

Spray **Micro-Nice® Bio Air Conditioner** on parts to be cleaned.
Wash off with clean water and allow to dry.
