

# Micro-Nice®

## Bio EZ Wash

**Micro-Nice® Bio EZ Wash** is a newly developed biodegradable phytochemical used for cleaning and deodorizing all types of fabrics. The main ingredient, **Micro-Nice®**, is a botanical extract which is safe for the user and the environment, and highly effective in removing unwanted debris from many surfaces. **Micro-Nice® Bio EZ Wash** also has a natural deodorizing effect.

### APPLICATIONS & BENEFITS:

- Wash grease and fat stains, dirt, and helps deodorize fabrics.
- Acts as a fabric softener.
- Slightly foamy, ideal for hand washing and HE washing machines.
- Hypoallergenic, non-toxic, and environmentally friendly.
- Not less than 90% Biodegradable.

### DIRECTIONS FOR USE:

Use 1 to 2 oz. **Micro-Nice® Bio EZ Wash** per washing. **Micro-Nice® Bio EZ Wash** may be used straight to pre-treat tough stains.

1 capful equals 2 oz. The lower, narrow level of the cap equals 1 oz. The pump on the optional pump container dispenses exactly 1 oz.
